1. Reference is made to paragraph 4, basic communication.

2. The information requested is not readily available in this office. It is necessary for this office to direct correspondence to other War Department Agencies in order to obtain the required information. In some cases the time delay is increased because of the necessity of directing correspondence to many former Posts, Camps or Stations to which the deceased concerned may have been assigned, and from the status of the File Sections of the various War Department Agencies to which this office must direct its correspondence to obtain the desired information.
