1. Reference is made to Form 371 forwarded your office 1 December 1948 for Schobitz, Anthony F., Pfc., 37 610 319.

2. Inclosed herewith is corrected Form 371 and copies of additional dental information now available to this office.

3. The teeth shown as missing on reverse side of Form 79 dated 25 August 1943 may have been erroneously charted considering the fact that information dated 30 March 1943 indicates the missing teeth as R-8, R-16, L-8 and L-14, and no dental information is available to show the extraction of R-6, R-14 and L-6 between 30 March 1943 and August 1943.

4. It is requested that further investigation be made and that upon completion, the results be presented to a Board of Review.
