ATTENTION: MIDPAC Sector Graves Registration Officer

1. The remains now buried as Unknown X-81, Plot 1, Row 45, Grave 2225, Fourth Marine Division Cemetery, Iwo Jima, have been identified from comparison of dental records as those of Ensign Warren Arthur HINDENLANG, 306200, USNR. Date of death was 5 August 1944. Next of kin is his mother, Florence Elizabeth Hindenlang, 50 Westminster Street, Hyde Park, Mass. His expressed religious preference is Protestant.

2. The Dental Professional Division, Navy Department, states that the dental record of the remains now buried as Unknown X-70, Grave 2223, is similar to the dental record of Warren Besthoff SIMON, 225 13 76, AMM2c, USN, but positive identification cannot be made due to a number of discrepancies.

3. The dental record of Unknown X-80, Grave 2224, was not similar to the dental records of any other members of the plane crew.

4. It is requested that the remains now buried as Unknown X-79, Grave 2223, and Unknown X-80, Grave 2224, be disinterred, the inclosed dental records checked for identification, and this office advised of the findings.

5. It is further requested that the records and grave marker of Unknown X-81, Grave 2225, be corrected accordingly and corrected Report of Interment be forwarded to this office.
