2. A review of the records in this Office reveal seven (7) deceased were originally buried in Common Grave 427, POW Cemetery, Cabanatuan, P. I. Two of the men were identified by tags at time of disinterment.

3. The identifications of Sgt. Cook, Pvt. Norman and Sgt. Judge have been tentatively approved, however due to extreme discrepancies in dental chart comparisons, the individual identifications of Pvt. O'Connor and Pvt. Young have not been approved.

4. After a thorough review of the entire case, including the basis for the identification of all of the individuals ~~who~~ disinterred from Common Grave 427 it is evident that further investigation by your headquarters would not result in obtaining conclusive identifying data for Unknowns X-2165 and X-2166, Therefore, it is recommended that consideration be given to the establishing of a group identification of Unknowns X-2165 and X-2166 as the recoverable remains of Pvt.
