SUBJECT: Examination of Remains

TO : Commanding General
Philippine Command
APO 707, c/o Postmaster
San Francisco, California

ATTENTION: AGRS, PHILCON ZONE

1. Reference is made to Board Proceedings recommending that the remains of Unknown X-1289, AGRS Mausoleum, Manila, formerly X-3588, USAF Cemetery Manila #3, be identified as those of 1/Lt. Thomas P. Daggett, ASN 02 032 281, Infantry.

2. It is recommended that the remains of Unknown X-1289 and those of Unknown X-1288, AGRS Mausoleum, Manila, be processed simultaneously. These two remains were recovered from an isolated grave, and due to the shattered condition of the skulls, it is believed that there is a possibility that the maxillas of the two remains are reversed. Dental records of the maxilla for Lt. Daggett compare favorably with the maxilla for the remains of Unknown X-1288 and do not compare with the maxilla for the remains of Unknown X-1289.

3. In view of the fact that Capt. Charles V. Putnam, 03 031 905, is associated with the remains of Unknown X-1288, it is recommended that this case be processed for identification, inasmuch as the remains were recovered with X-1289.

4. Board Proceedings have been suspended pending completion of the action recommended above. It is further requested that this Office be advised by indorsement hereon, of action taken by your Headquarters.
