REMARKS

Identified as:

CARVER, BYRON C., 37019670

293 - Unk. P. I. X-1269 (Maus. Manila)

1 July 1949

SUBJECT: Identification of World War II Deceased

TO : Commanding General
Philippine Command
APO 707, c/o Postmaster
San Francisco, California

ATTENTION: AGRS, PHILCOM ZONE

1. Reference is made to Board Proceedings, your headquarters, dated 26 April 1949, recommending the identification of Unknown X-1269, AGRS Mausoleum, Manila, P. I. as the remains of Pfc. Byron C. Carver, 37 019 670.

2. A comparison of dental charts for Unknown X-1269 presents an unresolved discrepancy. The dental features charted on 29 October 1947 (QMC Form 1045) for Unknown X-1269 are not the same as those charted on 12 June 1948 (QMC Form 1044a) for Unknown X-1269. Physical characteristics further enhance the discrepancy, indicating that two(2) Unknown remains have been processed as Unknown X-1269.

3. It is requested that Unknown X-1269, Hanger 812, Bay I, Crypt 2828 be reprocessed and QMC Forms 1044, 1044a, and 1044b be completed. It is further requested that an explanation of previous laboratory findings be submitted.

4. Board Proceedings have been suspended pending reply.

3. These remains were found intermingled and scattered throughout the area of the crash of B-25 #44-31380. No skeletons were found intact. A review of the laboratory reports prepared in October 1947 and comparison of the data on these reports with Army records for the men killed in the crash indicates that the remains have not been properly segregated.

4. In view of the above information, it is recommended that the services of a local anthropologist be obtained to examine the remains, and that segregation be accomplished by excavation, bone color, texture, size and general morphological structure and that a certificate to this effect, signed by the anthropologist, be attached to each identification check list. All Board Proceedings are retained herewith.

5. In the event that proper segregation cannot be accomplished, it is further recommended that these remains be considered as the recoverable remains of the crew members and passengers of Aircraft B-25 #44-31380, as listed in paragraph 1, above, and of Sgt Harry E. Brunson, AFM 30 758 058, a crew member for whom findings of non-recoverability have been received.
