1. Request cancellation of the attached Disinterment Directive #6929 00141, for Unknown X-240, Finschhafen #5 New Guinea.

2. Your attention is invited to attached letter from USAF Cemeteries, Finschhafen, New Guinea, file NFQMM 293, dated 27 February 1947, subject: Graves Registration and indorsements thereto which indicate that no remains were designated Unknown X-240 nor were interred in Plot 2, Grave 68, USAF Cemetery Finschhafen #5.

SUBJECT: Graves Registration

TO: Sector Commander, American Graves Registration Service,
PHILRYCOM, APO 707

1. Your attention is invited to inclosures.

2. There have been no remains interred in USAF Cemetery #5 plot 2, grave 68. It is believed that after the reports of interment were made up but before the remains were interred it was decided to fill some vacant graves and Unknown X-240 instead of being interred in Cemetery #5 was interred in Cemetery #1 as Unknown X-36 grave 442. The reasons for this assumption are.

a. Plot 2 in its entirety has been removed and examined for the possibility of X-240 being put by error into a casket with some other remains. This was found not to be the case.

b. Report of interment for Unknown X-36 states "Remains recovered from isolated burial Ali Island Aitape Area, New Guinea. Natives state this man was only American soldier killed in the Ali landing." Report of interment for Unknown X-240 has as his place of death Ali Island.

TO: Quartermaster General, Washington 25, D. C.

1. Attention is invited to basic communication and inclosures thereto.

2. In view of the fact that remains of Unknown X-240 of USAF Cemetery, Finschhafen #5, were not interred in Plot 2, Grave 68, of that cemetery (as originally intended) but, instead, were interred in USAF Cemetery, Finschhafen #1, as Unknown X-36, Grave 442, it is requested that:

(1) Permission be granted to revoke Report of Interment prepared for Unknown X-240.

(2) "Unknown X-240" of USAF Cemetery, Finschhafen #5, lose its identity as such.

(3) Permission be granted to change the original Identification Dental Chart prepared for Unknown X-240 (copy of which is attached as Inclosure #3) so as to indicate it is a Dental Chart for Unknown X-36. In this connection, a further comparison can be made with remains of Unknown X-36 if deemed necessary by your office.

(4) The designation of Unknown X-36, Grave 442, USAF Cemetery, Finschhafen #1, be officially recorded as the resting place of subject remains.

3. It is believed the statement contained in Paragraph 2, basic communication, reference the thorough examining of Plot 2 - in its entirety -, in addition to the facts that the Report of Interment on remains of Unknown X-240 states the place of death as Ali Island, and the Report of Interment on remains of Unknown X-36 states same "... were recovered from isolated burial Ali Island ... this man was only American soldier killed in the Ali landing", substantiates the above request.

SUBJECT: Graves Registration

1. Your attention is invited to inclosures.

2. There have been no remains interred in USAF Cemetery #5 plot 2 grave 68. It is believed that after the reports of interment were made up, but before the remains were interred, it was decided to fill some vacant graves and Unknown X-240 instead of being interred in Cemetery #5 was interred in Cemetery #1 as Unknown X-36 grave 442. The reasons for this assumption are:

a. Plot 2 in its entirety has been removed and examined for the possibility of X-240 being put by error into a casket with some other remains. This was found not to be the case.

b. Report of interment for Unknown X-36 states "Remains recovered from isolated burial Ali Island Aitape Area, New Guinea. Natives state this man was only American soldier killed in the Ali landing." Report of interment for Unknown X-240 has as his place of death Ali Island.

TO: Quartermaster General, Washington 25, D. C.

1. Attention is invited to basic communication and inclosures thereto.

2. In view of the fact that remains of Unknown X-240 of USAF Cemetery, Finschhafen #5, were not interred in Plot 2, Grave 68, of that Cemetery (as originally intended) but, instead were interred in USAF Cemetery, Finschhafen #1, as Unknown X-36, Grave 442, it is requested that:

(1) Permission be granted to revoke Report of Interment prepared for Unknown X-240.

(2) "Unknown X-240" of USAF Cemetery, Finschhafen #5, lose its identity as such.

(3) Permission be granted to change the original Identification Dental Chart prepared for Unknown X-240 (copy of which is attached as Inclosure #3) so as to indicate it is a Dental Chart for Unknown X-36. In this connection, a further comparison can be made with remains of Unknown X-36 if deemed necessary by your office.

(4) The designation of Unknown X-36, Grave 442, USAF Cemetery, Finschhafen #1, be officially recorded as the resting place of subject remains.

3. It is believed the statement contained in Paragraph 2, basic communication, reference the thorough examining of Plot 2 - in its entirety - in addition to the fact that the Report of Interment on remains of Unknown X-240 states the place of death as Ali Island, and the Report of Interment on remains of Unknown X-36 states same "... were recovered from isolated burial Ali Island ... this man was only American soldier killed in the Ali landing", substantiates the above request.

1. Your attention is invited to inclosures.
2. There has been no remains interred in USAF Cemetery #5 plot 2 grave 68. It is believed that after the reports of interment were made up, but before the remains were interred, it was decided to fill some vacant graves and Unknown X-240 instead of being interred in Cemetery #5 was interred in Cemetery #1 as Unknown X-36 grave 442. The reasons for this assumption are:
 - a. Plot 2 in its entirety has been removed and examined for the possibility of X-240 being put by error into a casket with some other remains. This was found not to be the case.
 - b. Report of interment for Unknown X-36 states "Remains recovered from isolated burial Ali Island Aitape Area, New Guinea. Natives state this man was only American soldier killed in the Ali landing." Report of interment for Unknown X-240 has as his place of death Ali Island.
