STATEMENT

Herewith we declare that on Mednesday 6 December 1944, at about 1 e'clock in the afternoom several planes were flying over Lazinja from MW towards SE. We did not see the planes as the weather was rainy and foggy. We heard a plane crash and explode. Later on, we were teld that an American plane crashed in the ferest of Breaje, near Lazinja. On the scene of crash we saw parts of human bedies bloom to pieces by the explosion and scattered all over the trees. Among the debris of the plane there was a four blade propellor, a machine gan and one engine.

The remains were buried by the local Partisans in the countery at Lasinja. A military funeral was given. The Partisans identified the plane as an American fighter plane. They were not able to say if one or two men perished in crash. On the grave is a cross and an inscription:

"Unknown American Airman! killed on the 6 December 1944.
